## SCENIC FLIGHTS

### WANGI WHIRL

**Flight time:** Approximately 6 - 8 minutes | **Price:** \$99 per person\*

The Wangi Whirl is a great way to see the best known and most visited attraction in Litchfield National Park. This flight takes in an aerial view of Litchfield National Park, leaving and returning to our helipad at Wangi Falls. You will see the sights clearly with the doors off on the helicopter!

### TOLMER TURNAROUND

**Flight time:** Approximately 12 minutes | **Price:** \$149 per person \*

This Flight takes you over three year round spring fed waterfalls. Let the landscape unfold beneath the Helicopter as you soar over Litchfield National Park with the doors off the helicopter giving you amazing clear views! This flight includes views of the stunning Tjaetaba Falls, Litchfield's highest waterfall Tolmer Falls and of course the well-known attraction, Wangi Falls.

### SANDY SCENIC

**Flight time:** Approximately 20 minutes (+add-ons)

**Price:** \$245 per person\*

**Add-ons available:** Sandy Swim, Lost City Ground Tour

Escape to Sandy Creek! This spectacular waterfall is not to be missed. Thousands of years of erosion have shaped this amazing landscape. Travel in style with the doors off the chopper to where the adventure really begins. Taking in the sights of some of Litchfield's best attractions, why not add on a swim to this tour so you can experience this exclusive swimming hole!

### ULTIMATE LITCHFIELD
